Meet Indrani Malkanthi and Chandraratne who have been farming coconuts for generations.

Why Vita Coco? Here's why...

**Our Coconuts**

Even though we now crack over 2 million coconuts a day, all of our coconuts are carefully hand-picked on thousands of small farms throughout the tropics. All this and we're still independently owned and founder led! Together we're ALL making a difference.

Give, Grow, Guide™
